You to be silent, to live every day in love and to be like You! To be like You! To be like You!

Almighty Father, the everlasting spring,  
 Help us to find the Path of Life in your Will.  
 To save us from evil, You gave up Your Son,  
 For us to be like Him, forever as one, as one.

Refrain:

Help us every day to be open like You,  
 Help us every day to appreciate like You,  
 Help us every day like you to be silent,  
 to live every day in love, and to be like You!  
 To be like you! To be like you!
